Letter of Recommendation for James Hang

From: Julie Bredeson

Speech Instructor Ridgewater College Hutchinson Campus

Dear Committee,

It is my pleasure to write a letter of recommendation for my Ridgewater student James Hang. James was a member of my Speech 121 Introduction to Communications class. During the course of a semester, 18 weeks, I have the opportunity to learn many things about my students. Being a communications class – students share their personal stories in speeches, partnering activities, small group activities and during one-on-one conferences with the instructor.

James is a student who can put a smile on your face! His sense of humor is delightful!! Always the student who would bring a joke to the conversation, a little snide remark, or a one-liner, that would catch fellow students and this instructor off-guard – and we would all break out into giggles!

James comes from a background filled with terrific experiences that have made him a leader. James works three jobs while attending Ridgewater classes. He puts in 24 hours a week at Woodstone Senior Living, a retirement community. I bet the residents absolutely Love Him!! James works as a tutor for Ridgewater College helping students with computer systems technology questions. He averages around 10 hours a week for the CST Department. James also helps his family at the local Farmer's Market on the weekends!

He is maintaining a great GPA (3.76) while here at Ridgewater. His current semester looks destined to be a 4.0!! It is kind of funny – James told me he came to Ridgewater just to take a couple classes, not really sure what he wanted to be "IF" he grew up.....and while taking those couple classes – he found he was good at Programming and working with computers, so he decided to stay and complete his Programming Courses with an Associate of Applied Science Degree. James hopes to further his education and experience in the field of Game Design.

It was a pleasure having James in my class! He always brought a smile to this instructor's day!!

Sincerely,

Julie Bredeson
